**IMPORTANT INFORMATION**

Performance Dates

You must be available for ALL performances, as well as the dress rehearsals in the 2 weeks prior to opening night.

Rehearsal Availability

Rehearsals will be held on Tuesday and Thursday evenings and Sunday afternoons at the Mountview Theatre. Rehearsals will likely commence 4 September. You may not be required to attend every rehearsal or stay for the full length of a rehearsal – a rehearsal schedule will be provided once casting is complete. Are there any dates that you know you are unavailable for rehearsals?

3 STRIKE POLICY

In the past, The Mount Players productions have been held up by absenteeism. Therefore, the theatre has established a 3–Strike Policy - if someone is absent to 3 rehearsals without prior explanation and agreement, then the director and/or producers reserve the right to remove them from the production and re-cast the role.

I, \_\_\_\_\_ acknowledge that I have a responsibility to attend all rehearsals required, and failure to do so (as per the 3-Strike Policy) could result in me forfeiting my role in this production.

I give permission for The Mount Players to use my name and photo in marketing material for this production. Marketing includes the MPT website, MPT Facebook, Instagram and Twitter, the online MPT publications 'Curtain Call' and 'Stagestruck', as well as other printed and online publications/sites.

### Helping in Other Ways

If unsuccessful in casting, I am interested in helping out with the production in other ways.
